REMINDERS FOR FREESTYLE JUDGES

Time: Maximum time limit is 5 minutes. There is **no minimum time**. No bell is sounded at the end of the time limit. Movements executed after the 5 minutes limit are not scored. One (1) point is deducted from the total for Artistic Impression for exceeding the time limit.

Under penalty of elimination at the **discretion of the Judge at "C"**, an athlete must enter the arena within 30 seconds of the music starting. **Music must cease at the final salute.**

At the beginning and end of a Freestyle Test a halt with a salute is compulsory. Time begins when the horse moves forward after the competitor's halt and ends with the final halt and salute on the centreline facing the judge at C.

Judging: All judges of a freestyle test at any level must judge both artistic and technical parts of the test.

In case of athlete's music failing **before or during** a Freestyle Test and in cases where there is no backup system the athlete can, with permission of the judge at "C", leave the arena or **start at a later time**. There should be minimum interference with the starting times of the other athletes and the affected athlete should return to complete or restart his/her test during a scheduled break in the competition or at the end of the competition. The athlete may decide whether to restart the test from the beginning or to commence from the point where the music failed. Judging must restart at the point of interruption. In any case, the marks already given will not be changed.

The judge may stop a test and/or allow a competitor to restart a test from the beginning or from any appropriate point in the test if, in his discretion, some unusual circumstance has occurred to interrupt a test.

Above the level Movements and Transitions: Athletes performing higher movements than the level called for (clearly forbidden movements) will be penalized by 4 points in Total Technical Execution for each illegal movement but not for any recurrences of the same illegal movement.

Errors: The bell is not rung for errors occurring in USDF Freestyle Tests. Errors occur for failure to salute in the halt or rising at the trot at Second Level and above. Two points will be deducted for each error, however they are not cumulative and will not result in elimination.
