

Sample Notice to Boarders & Health Screening Declaration regarding COVID-19

The safety of our boarders and staff members remains our overriding priority. In accordance with EC and PTSO recommendations, we have cancelled all camp, horse shows and riding school lessons until further notice. We have reduced the number of staff to help us reduce the number of people in the barn for the recommended social distancing. We note however that you, the Boarder, remain your own horse's support staff. We remain responsible for your horse's up keep as per your Boarder's Agreement and as per any additional written agreements entered into between us and the Boarder. Food, housing and turnout is not enough to keep your horses healthy as they also require exercise and your attention to stay fit and sound. We will maintain a controlled schedule for arena use so that each Boarder will have opportunities each week to ride/exercise their horse. We will limit the number of horse/rider teams to a maximum of 4 in any arena at any time.

Any person visiting us to attend to their horse is required to enter/exit the facility by the door at the bottom of the black set of stairs. Everyone is required to check in (clip board on table) and to sign the following Declaration regarding their health prior to attending to their horse.

Everyone is expected to observe sensible social distancing and handwashing practices.
