**MSW Farms,
Ponoka, Alberta
August 23-24, 2024**

Equestrian Canada Endurance is pleased to support the Western Regional Challenge in 2024

- » The event will be one distance of 100 km.
- » Individual Senior and Junior podium winners will be recognized, along with a BC in each division. (Senior/Junior)
- » There will be a team component. Each province will be eligible to enter one team of 4 athletes, allowing both Senior and Junior athletes on a team.
- » The host province is allowed two teams.
- » The best three team members' times count to the team's final score and podium placing.

Minimum qualification for entering:

- having completed one EC sanctioned endurance ride of at least 80 km between Jan 1, 2022 and the Challenge entry close date.
- having accumulated a minimum of 160 km from Jan 1, 2022, and preceding the entry close date.
- » It is up to the provinces to select team members.
- » Riders who are not selected to their provincial team may ride as an Open/Individual rider or may choose to help complete another province's team.
- » Competitors are required to hold an EC Bronze Sport License and will be eligible for year end awards.
