3 DECLARATION AND ACCREDITATION PROCEDURES

Declaration

- 3.1 **Deadline Date:** Athletes must submit a declaration for the 2026 WC to EC through the EC Games Portal on or before **12 midnight ET, January 7, 2026**. Failure to submit the required information and documents by this deadline will make the declaration incomplete and invalid. *No late declarations will be accepted, except for already declared athletes in accordance with Section 3.8.*
- 3.2 **Purpose:** The declaration date allows sufficient time for the Accreditation Process to be completed for athletes, grooms, owners, and support team personnel.
- 3.3 **Process:** The declaration MUST be made through the EC Games Portal at
 - New users: <https://licence.equestrian.ca/gamesdb/register?user=new>
 - Existing users: <https://licence.equestrian.ca/gamesdb/login.aspx>
- 3.4 **Fees:** Declaration fees, if any, are outlined in *Appendix 1*.

At the time of declaration, the athlete MUST provide:

- 3.5 **Horses:** The name, FEI passport number, and FEI passport expiry date for each declared horse, *Please refer to Section 2.3 for horse eligibility.*
- 3.6 **Grooms:** The name, *unique e-mail address*, and phone number for a minimum of two (2) up to a maximum of four (4) declared grooms in priority order. Athletes are responsible for ensuring that their groom is eligible (*please refer to Section 2.4 for groom eligibility*), kept informed, and available for the time commitments in the proposed schedule for 2026 WC (an expected four-week commitment which includes any potential staging camp period). Should a groom not carry out their assigned duties and obligations or exhibit inappropriate

behavior detrimental to the team, then EC has the authority to remove such groom from the team. Please refer to the discipline-specific Selection Criteria in *Appendix 1* for additional groom information, as applicable.

- 3.7 **Owners:** The name, *unique e-mail address*, and phone number for up to two (2) declared owners per horse, in priority order for accreditation purposes; at least one owner must be listed in the FEI passport. In the case of syndicate ownership groups, declared athlete/horse owners do not need to be individually listed in the FEI passport, but must be individually declared in priority for accreditation purposes. *Please refer to Section 2.5 for owner eligibility.*

At the time of declaration, the athlete may provide:

- 3.8 **Athlete Companions:** The name, *unique e-mail address*, and phone number for up to two (2) declared athlete companions, in priority order for accreditation purposes. *Please refer to Section 2.7 for athlete companion eligibility.*

- 3.9 **Declaration Date Exception:** Except as set out in this *Section 3.8*, athletes may not submit a declaration after the **12 midnight ET, January 7, 2026** deadline.

3.9.1 In the case of a horse being made available **to an already declared athlete** after the declaration deadline to form a “New athlete/horse combination”, EC may, in its sole discretion, accept this athlete/horse combination as a declared candidate for the 2026 WC.

3.9.2 Additional athlete/horse combinations must be submitted in writing to EC at the earliest date possible, and no later than **March 30, 2026**.

Note 1: Horse owner accreditation may not be possible for new horses declared after the **12 midnight ET, January 7, 2026** deadline.

Note 2: “New athlete/horse combination(s)” are defined as either a:

- new horse purchase, or
- horse transfer to an already declared athlete

- 3.10 **Withdrawal:** Declared athletes who subsequently choose to withdraw from the selection process (either themselves or their horse) prior to the naming of the team and alternates must advise the EC DM of their decision in writing.

Accreditation

- 3.11 **Process:** The accreditation process for the 2026 WC will be coordinated through EC. To help facilitate this process, the athletes’ declaration in the EC Games Portal must include the personal *unique e-mail addresses* and phone numbers for all potential grooms, owners and athlete companions. Any subsequent changes to accreditation details, i.e. new owners, grooms etc., must be reported to the DM immediately in writing. Athletes, grooms, owners, athlete companions and team personnel are not permitted to apply directly to the Aachen Organizing Committee (“OC”) for accreditation.

- 3.12 **Allocation:** EC has the exclusive authority to select and allocate accreditations for the grooms, owners, athlete companions and team personnel who comprise the Canadian Equestrian Team (“CET”) to represent Canada at the 2026 WC. Accreditations for 2026 WC are limited and are allocated based on the needs of the entire team and on what EC decides will lead to the best team performance at the 2026 WC.

- 3.13 **Information Deadline:** Athletes, grooms, owners, athlete companions and team support personnel are to provide all necessary accreditation information, including photos and passport details and personal information, in the EC Games Portal by the Declaration deadlines outlined in *Sections 3.1* and *3.8* above.

- 3.14 **Declared list:** It is very important that information is provided and entered in the EC Games Portal for EVERY possible individual who may attend the 2026 WC in an accredited role (Athlete, Owner, Groom, Athlete Companion, Team Personnel, etc.) prior to the declaration deadline referenced in **Section 3.12**. Participation in this process does not guarantee accreditation nor selection.

Release of Liability Waiver

- 3.14 All declared athletes, grooms, owners, athlete companions and team personnel must complete and return the release of liability waivers to the DM within 7 days following notification of their selection in July 2026. The waiver and release forms can be found in the following appendices:
- **Appendix 2:** Athlete Release of Liability, Waiver of Claims, Assumption of Risk, and Indemnity Agreement
 - **Appendix 3:** Groom / Athlete Companion/Team Personnel Release of Liability, Waiver of Claims, Assumption of Risk, and Indemnity Agreement
 - **Appendix 4:** Owner Release of Liability, Waiver of Claims, Assumption of Risk, and Indemnity Agreement
 - **Appendix 5:** Release of Veterinary Medical Records

4 ANTI-DOPING HUMAN AND EQUINE

Athlete

- 4.1 **Eligibility:** The athlete must not be under suspension or any other sanction by any recognized body for any doping or doping-related offense.
- 4.2 **Testing:** Declared athletes may be subject to announced and unannounced drug testing in accordance with the **CADP**. Testing includes both in-competition and out-of-competition testing. All athletes who declare for the selection process must provide accurate and up-to-date contact information through the EC Sport Licence portal.
- 4.3 **Deemed Violation:** Athletes who do not provide up-to-date contact information or respond to EC communications, will be considered in violation of these policies. Violations will be considered in context by the Discipline's High Performance Advisory Group ("**HPAG**") and may result in the disqualification of the athlete from the selection process.

Horse

- 4.4 **Testing:** All declared horses shall be subject to drug testing according to FEI drug and medication rules. Blood, and/or urine, or any other sampling method as instituted by the FEI may be drawn at any time throughout the qualification, selection and quarantine/training camp periods. Samples may be tested for the presence for all prohibited and/or controlled substances by the FEI.
- 4.5 **Prohibited Substances:** In the event a prohibited substance is detected, the amount of this substance will be quantified where possible and reported to the EC DM. Any horse whose sample contains a prohibited substance or a restricted substance in a concentration greater than the allowable FEI limits may be eliminated from the selection process. Positive test results from samples collected during FEI competition will result in disqualification of that athlete/horse combination in all classes at that competition.

5 APPEALS

- 5.1 **Grounds:** Athletes participating in the selection process for the 2026 WC have the right to appeal against a selection decision but only on the grounds that the HPAG has failed to comply with the correct procedures outlined in the Selection Criteria or has made a patently unreasonable decision based on the Selection Criteria. An appeal must be made in writing to the Independent Third Party Complaint Manager within 72 hours of the relevant athlete being informed of the decision. Appeals must be accompanied by an administration fee of \$1,000.00 (CAD) as per the published EC Schedule of Fees, unless waived by EC, in its sole discretion, as set out in s.74 of the EC Discipline, Complaints and Appeals Policy approved April 14, 2025. The EC Discipline, Complaints and Appeal Policy can be found [HERE](#).

- 5.2 **Process:** In recognition of the short timelines required for the selection decision process, any appeals to decisions made under the Selection Criteria will proceed under the Sport Dispute Resolution Centre of Canada (“SDRCC”) appeal process. The administration fee referred to in **Section 5.1** will be applied to the fee required for the appeal to SDRCC. All appeals must be resolved prior to final entry deadline for the 2026 WC as determined by the FEI criteria.

6 AMENDMENTS TO THE SELECTION CRITERIA

- 6.1 The Selection Criteria are based on applicable FEI regulations, conditions and restrictions as currently known and understood, and on the latest information available to EC for DRESSAGE by the FEI.
- 6.2 Any changes in the Selection Criteria necessitated by a change in FEI regulations will be distributed via email to the declared athletes as soon as reasonably possible. Should such a circumstance occur, EC will review and may amend Selection Criteria to comply with the new regulations or conditions. Any amendments to this document will be communicated directly to all declared athletes via email. Communication will be sent to the email address provided in the EC Games Portal.
- 6.3 Further, situations may arise that do not allow this Selection Criteria to be modified or applied as written due to time constraints or other exceptional and unforeseen circumstances. In such situations, any decision, including selection decisions, will be made by the individual(s) with decision-making authority, as stated in this Selection Criteria, in consultation with the Director, High Performance, Team Physician, Team Veterinarian, HPAG or other individuals or committee(s) (as applicable), and in accordance with the stated performance objectives and selection philosophy and approach as stated herein. Should it be necessary to make any decision in this manner, EC will communicate with all declared athletes as soon as possible.

 - 2.2.2 Stage Two – FEI Certificate of Capability
 - 2.2.3 Stage Three – EC Qualification Score Requirements
 - 2.2.4 Stage Four – EC Fitness Inspections

Exception see ***Section 3.8*** of the Selection Criteria.

2.2.2 Stage Two – FEI Minimum Eligibility Requirement (MER) / Certificate of Capability DRESSAGE

In order to qualify for participation at the 2026 WC, Athletes and Horses must have attained (as a combination) a result of at least 66% attributed by the Ground Jury and by any two different FEI Level 4 Dressage Judges, of a nationality other than that of the rider, in a Grand Prix at two different CDI3*/CDI4*/CDI5*/CDI-W or CDIO3*/CDIO4*/CDIO5* events, from 1st January 2025 until the date of nominated entries.

2.2.3 Stage Three – EC Qualification Score Requirements

- 2.2.3.1 Qualification scores must be achieved at CDI3*, or higher, competitions within the QP (see *Appendix 1, Section 2.1*).
- 2.2.3.2 Athlete/horse combinations must compete in a minimum of four (4) Grand Prix (GP), plus three (3) Grand Prix Special (GPS) classes in the QP to be considered for selection.
- 2.2.3.3 A minimum of one Grand Prix and one Grand Prix Special score must be achieved within the QP after **May 15, 2026** and must count towards the athlete's final ranking average.
- 2.2.3.4 All qualification scores must be achieved from a panel of at least five FEI judges.

2.2.4 Stage Four – EC Fitness Inspections

2.2.4.1 Physician Assessment

- i. It is of paramount importance that each athlete is fit-to-compete and that the welfare of the athlete is protected. EC and the HPAG wish to ensure that no unfit athlete travels to and competes at the 2026 WC. As part of the selection process, the advice from the Team Physician (if appointed or otherwise a treating physician), if so required, will be taken into consideration to ensure athletes considered for selection are healthy and fit-to-compete

2.2.4.2 Veterinary Assessment

- i. **Purpose:** It is of paramount importance that the horse be serviceable and that the welfare of the horse be protected at all times. EC and the HPAG wish to ensure that no unfit or unsound horse travels to or competes at the 2026 WC. All declared horses shall be subject to drug testing according to FEI drug and medication rules. Blood and/or urine samples may be drawn at any time throughout the qualification, selection and quarantine / staging camp periods. Samples may be tested for the presence of substances identified by the FEI as both forbidden and/or controlled. Positive test results from samples collected during FEI competition will result in a zero (0) score for that athlete/horse combination in all classes at that competition. Athletes and owners are responsible and accountable for all positive testing results.
- ii. **Advice:** As part of the selection process, the advice from the Team Veterinarian will be taken into consideration during the selection process to ensure that all horses considered for selection are healthy and fit-to-compete.
- iii. **Assessment:** An assessment for soundness and serviceability for competition will be conducted on all selected horses, including reserve horses, by the Team Veterinarian prior to the departure of the horses for the 2026 WC. Assessments will examine the overall soundness and suitability for competition with consideration of the cause and prognosis of any recognized unsoundness. In the event a selected horse is found to be unfit or unsound during assessment, they may be re-presented within a 24-hr period for re-assessment, by the Team Veterinarian. Should the horse be unable to proceed to the 2026 WC, the HPAG will remove the horse based on *Appendix 1, Section 4 SUBSTITUTIONS* below.
- iv. **Communication:** Throughout the selection process, observations and concerns identified by the Team Veterinarian will be communicated orally or in writing to the athlete of the horse in question. The onus will be upon the athlete to take any necessary action in order to follow the recommendations of the Team Veterinarian.

- v. **Medical History:** Open and ongoing communication between the regular veterinarian, all treating veterinarians, and the Team Veterinarian is required throughout the qualification period. To ensure proper oversight and preparation of horses for the 2026 World Championships, athletes and owners may be required, upon request, to provide up to six (6) months of complete medical history. This must include all treatments, medications, and supplements administered to declared horses, and must be supplied directly by the regular and/or treating veterinarian(s)

3. SELECTION PROCESS

3.1 High Performance Advisory Group (HPAG)

The HPAG is the selection panel for the 2026 WC. The member of the HPAG can be found at:

<https://equestrian.ca/sport/dressage/>

No voting or non-voting member of the HPAG shall participate in any discussions or decisions regarding the selection of any athletes with whom they have a perceived or real conflict of interest. Any member of the HPAG who considers that they are in a position of perceived or real conflict of interest must declare such a conflict before any discussions are held or decisions are made and must remove themselves from all discussions regarding selection until the matter giving rise to the perceived or real conflict of interest has been resolved by the HPAG.

3.2 HPAG Specific Responsibilities

- Oversee the selection of Canadian athlete/horse combinations to represent Canada internationally.
- Support management in dealing with appeals and disciplinary actions related to selection.
- Review athlete development through objective assessment tools in collaboration with the Performance Analyst, for selection purposes.
- Liaise with Team Physician and Team Veterinarian, as required.

3.3 Selection Procedures

3.3.1 All qualifying Grand Prix and Grand Prix Special scores achieved by each declared athlete/horse combination throughout the QP (see *Appendix 1, Section 2.1*), will be used to calculate the combination's final ranking average. Exception, see *Appendix 1, Section 3.3.2* below.

3.3.2 Athlete/horse combinations may discard a maximum of one qualifying Grand Prix or Grand Prix Special score from their final ranking average, however at least three Grand Prix and two Grand Prix Special scores from the QP must be included in the final ranking average and at least one qualifying Grand Prix score and one qualifying Grand Prix Special score must have been achieved after May 15, 2026, and those scores must be included in the final ranking average. See *Appendix 1, Section 2.2.3.3* above.

Note: Athlete/horse combinations that retire or are eliminated after entering the competition arena at A will have their score counted as zero. Withdrawals made prior to entering the competition arena at A will not impact the athlete's qualification scores.

3.3.3 The average of all qualifying Grand Prix scores earned during the QP (minus the possible discard score - see *Appendix 1, Section 3.3.2* above) will count for 60% of the combination's final ranking average.

3.3.4 The average of all qualifying Grand Prix Special scores earned during the QP (minus the possible discard score - see *Appendix 1, Section 3.3.2* above) will count for 40% of the combination's final ranking average.

- 3.3.5 Following the end of the QP (see *Appendix 1, Section 2.1* above) the HPAG will review the final ranking average for all athlete/horse combinations.
- 3.3.6 For Canada to guarantee the selection of a full team for the 2026 WC the final ranking average for the team must be 70% or higher. Should this not be achieved, selection of a team or selection of individual athlete / horse combinations for the 2026 WC will be subject to the decision and approval of the HPAG in accordance with these qualification and selection procedures and the Regulations for the 2026 WC.
- 3.3.7 Provided *Appendix 1, Section 3.3.6* above is achieved, then nomination to the team will be determined as outlined below:

a) Automatic Selection

The athlete/horse combination with the highest final ranking average, as specified in *Appendix 1, Sections 3.3.3 and 3.3.4*, will be automatically selected to the 2026 WC team.

b) Final Team and Reserve Selection

The remaining two or three athlete/horse combinations, along with up to two designated reserve combinations, will be selected to form the strongest possible team to represent Canada at the 2026 WC. The HPAG will evaluate athlete/horse combinations based on the following non-exhaustive criteria:

i. Qualification Scores

Assessment of the quality, recency, and consistency of scores achieved during the QP, including but not limited to:

- Consistency of scores across qualifying classes throughout the QP;
- Demonstrated improvement in scores over the duration of the QP;
- Number of qualification scores attained within the final three months of the QP;
- Consistency of performance across various venues, conditions, and judging panels.

ii. Fitness, Soundness, and Team Contribution Potential

Evaluation of the athlete/horse combination's overall fitness, soundness, and their demonstrated or potential ability to contribute to a top-10 team performance at the 2026 WC.

iii. Previous International Experience

Consideration of relevant international competition experience, including but not limited to:

- Whether the athlete or athlete/horse combination has previously represented Canada at CDIO competitions or major games (e.g., Pan American Games, World Championships, Olympic Games), and the significance of their contribution to the team at those events;
- The athlete's or athlete/horse combination's broader international competition record and the impact of their performances;
- The level of competition at which qualification scores were achieved (e.g., CDI 3*, CDI 4*, or CDI 5*);
- The international rankings of other athlete/horse combinations competing in the same qualifying classes (i.e. international depth of field).

3.3.8 **Extraordinary Unforeseen Circumstances**

The HPAG may consider athlete/horse combinations that did not achieve the *Appendix 1, Section 2.2.3, Stage Three Qualification Score Requirements* for selection, but only under extraordinary, unforeseen circumstances. Extraordinary, unforeseen circumstances may include, without limitation, situations of temporary injury to either the athlete or the horse that are outside the reasonable control of the athlete, extreme weather causing cancellation of a qualification event, or unusual and

unforeseen events occurring at a qualification event or preventing access to one or more qualification events or preventing one or more qualification events from taking place etc.

In the event of such unforeseen circumstances the HPAG will determine if the circumstances justify competition or selection should take place in an alternative manner. In such circumstances, the HPAG shall communicate the alternative selection process to all impacted individuals as soon as possible.

- 3.3.9 Athlete/horse combinations will be formally selected on or before July 3rd, 2026.
- 3.3.10 Following selection, selected athlete/horse combinations plus named alternates, will be required to attend the 2026 WC quarantine staging camp. Confirmed details for the 2026 WC quarantine staging camp will be communicated to all declared athletes directly. The expected timelines for the quarantine staging camp will be between **August 1 – August 10, 2026**.

4 SUBSTITUTIONS

- 4.1 Should the need arise prior to the start of the 2026 WC, substitutions shall be made as per FEI requirements for substitution and in accordance with this document. In the event of a conflict between these Selection Criteria and the FEI and or OC rules, the latter two shall prevail.

- 4.1.1 **Substitutions After Selection but Before the 2026 WC Quarantine / Staging Camp**

Should the need for a substitution arise prior to the 2026 WC quarantine / staging camp the following provisions shall apply: (i) if a selected horse becomes unfit, ill or unsound such that it is, in the reasonable opinion of the Team Veterinarian, not possible or desirable to have that horse compete at the 2026 WC; or (ii) if a selected athlete is ill, injured, incapacitated or engages in misconduct, including violation of the EC Athlete Agreement, EC Code of Conduct and/or EC Policies, FEI Policies, Anti-Doping Policies or OC Policies, so that it is not possible or desirable for the athlete to represent Canada at 2026 WC, then the HPAG shall have the authority to make all such substitution decisions after reviewing all relevant evidence in connection with any illness, injury, misconduct or unsoundness issues.

- 4.1.2 **Substitutions During the 2026 WC Quarantine / Staging Camp**

Should the need for a substitution arise during the 2026 WC quarantine / staging camp the following provisions shall apply: (i) if a selected horse becomes unfit, ill or unsound such that it is, in the reasonable opinion of the Team Veterinarian, not possible or desirable to have that horse compete at 2026 WC; or (ii) should a situation arise where an athlete/horse combination is underperforming during the 2026 WC quarantine / staging camp to the extent that, in the reasonable opinion of the HPAG, it is reasonably likely to have a negative impact on the team's performance during the 2026 WC; or (iii) if a selected athlete is ill, injured, incapacitated or engages in misconduct, including violation of the EC Athlete Agreement, EC Code of Conduct and/or EC Policies, FEI Policies, Anti-Doping Policies or OC Policies, so that it is not possible or desirable for the athlete to represent Canada at 2026 WC, then the HPAG shall have the authority and absolute discretion to make all such substitution decisions after reviewing all relevant evidence.

- 4.1.3 **Substitutions After Departure for the 2026 WC but Prior to the Horse Inspection**
