- 1.2 Discipline-specific nomination criteria are outlined in *Appendix 1*. Questions specific to the Nomination Criteria should be directed to the Chair of Eventing, High Performance, Dr. Emily Gilbert at: egilbert@equestrian.ca (“**Eventing High Performance Chair**”).
- 1.3 Athlete/horse combinations must meet the expectations outlined in these Nomination Criteria to be considered for nomination.
- 1.4 Athletes and owners who choose to participate in the nomination process acknowledge by their participation and declaration that meeting the requirements outlined in these Nomination Criteria does not guarantee that an athlete/horse combination will be selected.

All confidential information, conversations, and discussions will be identified as such. Any person who breaks this confidentiality may be removed from the nomination process.
- 1.6 When there are issues of interpretation of the 2027 Pan American Games Criteria, the English and French versions are equally authoritative and must be read together in order to determine the intended meaning.
- 1.7 Any intentional misrepresentation of information submitted for nomination consideration may, at the sole discretion of the EC Eventing High Performance Advisory Group (“**HPAG**”), eliminate the athlete/horse combination from both the qualifying process and consideration for nomination.
- 1.8 All declared team members will need to comply with the COC Pan Am Games Team requirements that are determined by the COC, including but not limited to identified acknowledgement of policies and required education and timelines, as determined by the COC. Failure to meet the requirements of the COC may result in removal from the 2027 Pan Am Games Team or elimination from the nomination process. COC requirements will be conveyed by EC to all declared athletes, once provided by the COC.

- 1.9 Final Selection to the 2027 Pan American Games will be done by the COC, based on the nominations list submitted by Equestrian Canada. Team announcement will be controlled and managed by the COC in consultation with EC.

- 3.1 **Deadline Date:** Athletes must submit a declaration for the 2027 PAG to EC through the EC Games Portal on or before **12 midnight ET, January 15, 2027**. Failure to submit the required information and documents by this deadline will make the declaration incomplete and invalid. ***No late declarations will be accepted, except for already declared athletes in accordance with Section 3.8.***

- 3.2 **Purpose:** The declaration deadline allows sufficient time for the Accreditation Process to be completed for athletes, grooms, owners, and support team personnel.
- 3.3 **Process:** The declaration MUST be made through the EC Games Portal at:
- New Users <https://licence.equestrian.ca/gamesdb/register?user=new>
 - Existing Users: <https://licence.equestrian.ca/gamesdb/login.aspx>
- 3.4 **Fees:** No declaration fees will be charged for declarations for the Eventing discipline.

At the time of declaration, the athlete MUST provide:

- 3.5 **Horses:** The name, FEI passport number, and FEI passport expiry date for each declared horse. *Please refer to Section 2.2 for horse eligibility.*
- 3.6 **Grooms:** The name, **unique e-mail address**, and phone number for a minimum of two (2), up to a maximum of four (4), declared grooms in priority order. Athletes are responsible for ensuring that their groom is eligible (*please refer to Section 2.3 for groom eligibility*), kept informed, and available for the time commitments in the proposed schedule for 2027 PAG (an expected four-week commitment which includes any potential staging camp period). Should a groom not carry out their assigned duties and obligations or exhibit inappropriate behavior detrimental to the team, then EC has the authority to remove such groom from the team. *Please refer to Section 2.3 for groom information.*
- 3.7 **Owners:** The name, **unique e-mail address**, and phone number for up to two (2) declared owners per horse, in priority order for accreditation purposes; at least one owner must be listed in the IF horse passport. Failure to submit the required information and documents by this deadline will make the declaration incomplete and invalid.

- 3.8 **Declaration Date Exception:** Except as set out in this *Section 3.8*, athletes may not submit a declaration after the **12 midnight ET, January 15, 2027** deadline.
- 3.8.1 In the case of a horse being made available to an already declared athlete after the declaration deadline to form a “New athlete/horse combination”, EC may, in its sole discretion, accept this athlete/horse combination as a declared candidate for the 2027 WC.
- 3.8.2 Additional athlete/horse combinations must be submitted in writing to the Eventing High Performance Chair at the earliest date possible, and no later than **March 30th, 2027**.

Note 1: Horse owner accreditation may not be possible for new horses declared after **12 midnight ET, January 15, 2027** deadline.

Note 2: “New athlete/horse combination(s)” are defined as either a:

- new horse purchase, or

Accreditation

- 3.9 **Process:** The accreditation process for the 2027 PAG will be coordinated through EC. To help facilitate this process, the athletes' declaration in the EC Games Portal must include the **personal/unique e-mail addresses** and phone numbers for all potential grooms and owners. Any subsequent changes to accreditation details i.e. new owners, grooms etc., must be reported promptly to the Eventing High Performance Chair in writing. **Athletes, grooms, owners, and team personnel are not permitted to apply directly to the Pan Am Sports OC for accreditation.**
- 3.10 **Allocation:** EC has the exclusive authority to, select, and allocate accreditations for the grooms, support team members, owners, and team personnel who comprise the Canadian Equestrian Team ("CET") to represent Canada at the 2027 PAG. Accreditations for the 2027 PAG are limited and are allocated based on the needs of the entire team and on what the HPAG decides will lead to the best team performance at the 2027 PAG.
- 3.11 **Information Deadline:** Athletes, grooms, owners, and team support personnel are to provide all necessary accreditation information, including photos and passport details and personal information, in the EC Games Portal by the declaration deadlines outlined in ***Sections 3.1*** and ***3.8*** above.

Participation in this process does not guarantee accreditation nor nomination.

Release of Liability Waiver

- 3.13 All selected athletes and their applicable grooms, support team members, and owners, must complete, sign and return their applicable release of liability waivers to the Eventing High Performance Chair within 7 days following notification of nomination decisions in July. Athlete

- 4.1 **Eligibility:** The athlete must not be under suspension or any other sanction by any recognized body for any anti-doping or anti-doping-related offense.

- 4.2 **Testing:** Declared athletes may be subject to announced and unannounced anti-doping testing in accordance with the **CADP**. Testing includes both in-competition and out-of-competition testing. All athletes who declare for the nomination process must provide accurate and up-to-date contact information through the EC Sport Licence portal. Testing may be conducted by Sport Integrity Canada, the International Testing Agency (WADA and FEI) or other agencies acting on behalf of any of these entities.
- 4.3 **Deemed Violation:** Athletes who do not provide up-to-date contact information or respond to EC communications, will be considered in violation of these policies. Violations will be considered in context by the HPAG and may result in the disqualification of the athlete from the nomination process.

Horse

- 4.4 **Testing:** All declared horses shall be subject to anti-doping testing according to FEI drug and medication rules. Blood, and/or urine, or any other sampling method as instituted by the FEI, may be drawn at any time throughout the qualification, nomination and quarantine/training camp periods. Samples may be tested for the presence for any prohibited and/or controlled substances by the FEI.
- 4.5 **Prohibited Substances:** In the event a prohibited substance is detected, the amount of this substance will be quantified where possible and reported to the Eventing High Performance Chair. Any horse whose sample contains a prohibited substance or a restricted substance in a concentration greater than the allowable FEI limits may be eliminated from the nomination process. Positive test results from samples collected during FEI competition will result in disqualification of that athlete/horse combination in all classes at that competition.

5 APPEALS

- 5.1 **Grounds:** Athletes participating in the nomination process for the 2027 PAG have the right to appeal against a nomination decision but only on the grounds that Equestrian Canada has failed to comply with the correct procedures outlined in the Nomination Criteria or has made a patently unreasonable decision based on the Nomination Criteria. An appeal must be made in writing to the Independent Third-Party Complaint Manager within 72 hours of the relevant athlete being informed of the decision. Appeals must be accompanied by an administration fee of \$1,000.00 (CAD) as per the published EC Schedule of Fees, unless waived by EC, in its sole discretion, as set out in s. 74 of the Discipline, Complaints, and Appeals Policy approved April 14, 2025. The EC Discipline, Complaints and Appeal Policy can be found [here](#).
- 5.2 **Process:** In recognition of the short timelines required for the nomination decision process, any appeals to decisions or procedures made under the Nomination Criteria will proceed under the Sport Dispute Resolution Centre of Canada (“SDRCC”) appeal process. The administration fee referred to in **Section 5.1** will be applied to the fee required for the appeal to SDRCC.

6 AMENDMENTS TO THE NOMINATION CRITERIA

- 6.1 The Nomination Criteria are based on applicable FEI, COC and OCOG regulations, conditions and restrictions as currently known and understood, and on the latest information available to EC for Eventing by the FEI.
- 6.2 Any changes in the Nomination Criteria necessitated by a change in FEI, COC or OCOG regulations will be distributed via email to the declared athletes as soon as reasonably possible. Should such a circumstance occur, EC will review and may amend Nomination Criteria to comply with the new

regulations or conditions. Any amendments to this document will be communicated directly to all declared athletes via email. Communication will be sent to the email address provided in the EC Games Portal.

- 6.3 Further, situations may arise that do not allow this Nomination Criteria to be modified or applied as written due to time constraints or other exceptional and unforeseen circumstances. In such situations, any decision, including nomination decisions, will be made by the individual(s) with decision-making authority, as stated in this Nomination Criteria, in consultation with the relevant individual(s) including but not limited to the EC Director of High Performance, Veterinary specialists, EC legal representative, the Eventing High Performance Advisory Group, the EC Secretary General or other experts deemed relevant to the determination of nominations, and will be made in accordance with the stated performance objectives and nomination philosophy and approach as stated herein.
