Equestrian Canada's Independent Third Party Complaint Manager received five complaints about the Respondent on April 15, 2024 (the Complaints).

After an investigation and hearing were conducted and concluded on October 17, 2024, a decision on the merits of the Complaints was delivered on October 21, 2025, and a decision on sanctions followed on November 14, 2025.

In the merits decision, the Panel found that the Respondent engaged in conduct that breached sections 20 and 22 of the EC Code, and section 5.2 of the UCCMS.

For these breaches, the Respondent was sanctioned to a 1 year suspension from participation, in any capacity, in any program, activity, event, or competition sponsored by, organized by, or under the auspices of Equestrian Canada. The Respondent's licenses and EC designations are revoked during this suspension.

Following the suspension, the Respondent may apply to regain her licenses and EC designations with conditions on reinstatement of completing educational and policy review requirements, to pay a fine of \$5,000 to EC, and to post an apology and retraction on Facebook. The Respondent is additionally required to undergo a 1-year probationary period with mentorship following the completion of the suspension.
